VICTORY

We respectfully dedicate this 1942 issue of the LA-REVUE to the many divisions of the ARMED FORCES, who are striving ever forward toward a victorious end in our present conflict. And may these gallant fighters for freedom never suffer defeat.

FORWARD

Herein we have attempted to portray the passing of another school year, endeavoring to represent the importance of our school life.

If by preserving them in book form, it brings pleasant memories during the years to come, our purpose shall have been fulfilled.

IN APPRECIATION

To Mr. Kiatt, the class advisor for the last two years, we wish to express our appreciation for his guidance and advice. He has kept our hopes high through the years. As we leave, we will never forget his fine character and hope that he will continue to have him for their advisor.

The Senior Class of '42

POEM

Duty calls onward. A sigh for the past,
And a cheer for the great gone before!
Still upward and onward we'll climb, till at last
The laurels are ours which they wore.
Here's a toast, my friends! To the heart as we go,
And a friendship we never must stain,
These halls as students we'll never again know;
Here after you'll hear of us all.

AMERICA ARISE

Fellow Americans, the time has come when we must unite for the protection of everything we hold so dear to our heart.

The very extent of our indignation must forget its pride and petty hatred. This is a struggle in which every one must do their proper bit. We must put our chest out and our chin up, for there will be sacrifices to make, and no matter how small, there will be duties too. The unionization of man, woman and child must prevail over all.

American must stand as stone doth endure.

America Arise! For might is right when
for freedom we fight.

SENIOR CLASS HISTORY

September, 1938, was an exciting time for thirty-six thirty-eight students enrolled in the Willamina High School. Eight years of strenuous study were behind us. In the past we had gotten by some way--what about the future? Soon after we were enrolled, the rumors of a new school at Willamina came to our ears. The institution, which was a lot of fun for the senior class--we finally over and we began taking part in school life and studies. Toward the end of the year, we felt more as if we were part of the high school.

The next year we had other experiences. We were in the new Union High School. Our enrollment was increased to fifty--a hundred students. Of course, there were many new faces.

Fifty-three students enrolled in our junior year. We were now called "The Junior Class" and "The Junior Class." With the proceeds from the "The Junior Class" we were hosts to the Seniors and took them to Roamers' Rest for the annual Junior-Senior picnic.

Our fourth and last year (the year we had been waiting for) was a lot of fun. Fifty-five of us enrolled. Our first "The Junior Class" was a victory play given at Willamina. We had the honor of being the Green Party. Finally, the school year was over and our four years.

During the entire four years, the boys of our class were very active in the school sports--baseball, football, and basketball. We all enjoyed the school life and the honor roll. Since Tom and Jack Russell are the only two of our class who went through grade school and high school in Willamina. The percent given for the highest percentage of student body tickets bought was awarded to us when we were Juniors and Seniors. We missed the six Senior boys who left for the navy but are glad they are serving our country.

Now, as we are leaving school, we wish to thank all the teachers who helped us receive our education. We will certainly miss the teachers, our very friends, and the good times we experienced during our four years at WILLAMINA HIGH SCHOOL - - - - -now, ADIOS

GRANDE HOTEL

In the year 1952, people come and go through the lobby of Grande Hotel. Let us part the curtains and take a peek.

Madame Ovene, erst-while Ovene Garoutte, now the swank dress designer, swishes into Grande Hotel in her latest devastating creation. Anna Ruth Cook, that glorified chorus girl, lying in bed in her luxurious apartment, is daintily yawning and stretching her shapely million-dollar legs. There issues from a nearby suite the synocopating strains of a piano being played by the celebrated orchestra leader, Harold Miles.

A neat, prim school ma'am, dressed in tweeds carrying several books under her arm, steps briskly into the lobby. The clerk barks "Mail for Miss Anne Reinbold."

At that moment, with a grand sweeping gesture, the wealthy widow, Inez Van Gelt, nee Blondina Lawson, passes through the lobby on her way for a walk with her Pekingese. A few minutes later a call comes from the sumptuous rooms of Suite B, where Miss Alice Bedortha, that dynamic tragedienne, strides dram-

atically about the room, fretting because her daily supply of gardenias has not arrived. Just as the curtains are about to close, let us take a rapid glance into the special apartment where proud Mother Peoney, nee Evelyn Westwang, is hovering over her brood of octuplets, as the maids dress them for their morning appearance at the Frivoli Theatre, where the tiny tots are packing them in. The curtain falls until tomorrow.

Our worth is rated by the service rendered--
"What we give, not what we get" reveals our soul.
Let's give our best; a flowing stream of service
Will help the struggler to reach his goal.

THE JUNIOR CLASS OF WILLAMINA, 48 STRONG, SALUTE YOU!

We said 48 strong and don't you believe us? Well, just look us over for awhile. This class was the first Freshman class to enter the new high school building in 1939, and for the past three years we have built our class up to be one of the outstanding classes of the school.

For example, the golf squad were picked from our class, doing their utmost to uphold their position. The Junior class is represented by five council members. In athletics the Juniors have not been let out. Our class president supported us by his consistent work in track meets. He also received a medal for his good spirit and hard work.

Another Junior, or should I say valiant warrior, is Ilene Lucas, who for the past years of high school has received the award of several medals. So, the Juniors believe that it is possible of reaching even greater heights and are eagerly looking forward to next year when they will step in as the Seniors of 1943.

SOPHOMORE CLASS RECORD

September 16, 1941, found fifty-five eager Sophomores gathered at V. H. S. ready to fill the vacancy left by last year's class.

Determined to do their best and make William Linn an outstanding school, they joined the football and baseball teams. Two made the "A" basketball team and the "B" squad was almost fully composed of Sophomores.

Three girls were in the sextet, doing their part for the enjoyment of the school and community. Other students were members of the school band.

With this as our progressive start, look for great results from this class of 1944.

CLASS HISTORY

Mingling with righty upper classmen, on the morning of September 10, 1941, were forty-eight timid "freshies" coming to high school with noble ambitions.

We were just beginning to feel confident when the dreadful day of initiation arrived. The girls came dressed in slacks rolled above their knees, girds, socks, and wearing p's hairy shirt. The boys were dressed in undershirt and tie, and pants cut about the knees, and green ribbons adorned their hair. Then in the evening there was the party and dance. Many who didn't know how to dance, soon learned and enjoyed the whole day of being a freshman. We were all very glad to become a regular member of Williamina High School.

Among the more athletic Freshman boys there were four who made the football team and two who made the "B" Squad basketball team.

We will be glad to leave our position as "freshies" open for the next year's class and go on to the sophomore's vacancy.

PEP RALLYS

In order to get in the proper spirit for forthcoming athletic contests, pep rallies were held before each game.

Students assembled in the gym and were led in the school songs and school yells by Barbara and Betty Brown, our two yell leaders.

If the game was an especially important one, Coach Hiatt made a pep talk, both to the students and to his team.

Sometimes boys of the team were asked by their coach to give their opinions on the game.

FOOTBALL

The Willamina football team had a tough seven game schedule this year, and out of those seven games they were only able to win one game. Willamina's only win came in the second game of the season when they defeated Monmouth 7-0 at Monmouth.

Willamina was superior in the kicking department to all except one opponent, and that one was Amity. The Bulldogs averaged 37 yards per kick. The passing attack was very weak.

John Davis, flashy halfback, led the scoring with two touchdowns and one conversion point for a total of 13 points. Mode scored one touchdown, and Cooper made one conversion point.

BASKETBALL

The Willamina Bulldogs had a rather spotted season, winning 12 and losing 10, but finished in second place in the Yamhill-Polk league and advanced to the finals of the District 8 tournament.

Coach Klett's boys scored a total of 734 points during the season to 649 points for their opponents.

John Davis with 255 and Bruce Brown with 131 points led the Polk-Yamhill scoring for the year. Davis averaged 18 points per game in league contests.

BASEBALL

Willamina's baseball record for 1942 wasn't too impressive, with two wins and three losses, but several of the losses were by just a single run margin and could have gone either way.

The Bulldogs started out the season in grand style by defeating Dallas 8-3. Jim Noble pitched the victory. Dallas went on from here to sweep their remaining games without a loss, however, and win the cup.

The next game was a thrill-packed clash with Astoria, which the Warriors won 3-2, with Linkins crushing for the Bulldogs. Then the Bulldogs lost one to Linmouth 3-0, and edged out Sheridan 1-7 to close the season.

Dale Mode and Albin Cooper led the hitting for the year.

Ralph Davis checked two victories against no defeats for the "B" squad, looking very impressive in both.

TRACK

The 1942 edition of the Willamina track team had a very successful season. They didn't win any meets as a team, but several individual performances rate special notice.

The relay team of Disch, Duncan, Clark, and Wilkerson won first place in the Class C Relay Relay races at both the Hill Military Academy and the Hayward Relays. They set a new record for the State of Oregon in the Class C Division at the Hayward meet.

Bobby Wilkerson, Willamina's dynamic speedster and crack miler, was the best individual performer during the season. He captured first in the mile in the League, County, and District meets to enter the State Tournament. He captured fourth in the State. Jerry Disch made the District in the 440 but lost out there.

Bob's fastest time in the mile was 4:35.

GIRLS' SPORTS

Girls' sports in Willamina do not play as important part as boys, but the girls take a part in all interclass sport tournaments and make them worth while and also a lot of fun.

Our first sport of the year is volley ball. We have various games between classes; and at the end of the season each class picks a team for the final tournament to determine the best class team. The classes chose the following girls as their captains.

Freshman	Betty Ross
Sophomore	Daisy Robertson
Junior	Betty Harpole
Senior	Blandine Holmes

Our next tournament was basketball which the girls made very peppy and interesting to the whole school. The following girls were chosen as captains.

Freshman	Charlene Eice
Sophomore	Daisy Robertson
Junior	Bobby Brown
Senior	Anne Reinbold

Due to the fact that we do not have an outdoor tennis court, tennis was omitted from the physical education program.

Last, but not least, was the baseball tournament. The ambitious and energetic girls again chose their captains.

Freshman	Louella Davidson
Sophomore	Jean Fouts
Junior	Betty Brown
Senior	Blandine Holmes

Searchlight

As the school paper expands, the prouder we are of the "Searchlight." For the first time Williamina was represented at the Press Conference in Eugene. No honors were won, but many pointers were given on improvement of the paper.

Earnest endeavor on the part of all students in the journalism classes helped to make the paper a success. We wish to express many thanks to the townspeople and business firms for their excellent cooperation.

STUDENT COUNCIL

In behalf of the student body, we wish to thank the members of the student council for the splendid job they have done in sponsoring the constitution of Willamina High School.

It has been stated by some that Willamina possesses one of the most powerful student organizations in the state. This is made possible by the leaders of the school who believe in self-government and finally in "self-government for the people and by the people."

The Willamina Student Association owes a great deal to the following leaders of the organization.

Richard Buswell	President
Bobby Wilkerson	Vice President
Betty Jean Hofrichter	Secretary
Bill Stewart	Treasurer
Troy McGowan	Tax Commissioner
Bruce Brown	Book Store Manager
Bobby Brown	Advertising Manager
Robert Duncan	Boys Athletic Manager

BAND

With an increase of 24 percent over last year's enrollment, the band got off with a big start this year. It has been successful in sponsoring athletics and other school activities.

The band made great progress this year under the direction of Mr. Carson, band instructor for the first semester. At the beginning of the second semester, Carl Bowman took over the band due to the fact that Mr. Carson was unable to continue his work in Willamina. Both instructors deserve credit for the improvement they have made in the band this year.

The band held successful paper drives to raise funds for new instruments and sheet music.

G. A. A.

The purpose of the Girl's Athletic Association is to maintain good sportsmanship. The girls may earn letters by making winning points. These points are earned in the following ways: swimming, bicycling, hiking and inter-class games.

The G.A.A. sponsored a candy sale this year and helped serve at the letterman's banquet.

The officers for this year were:

| | |
|--------------------------|------------------|
| President | Anne Reinbold |
| Vice President | Fay Larkins |
| Secretary | Betty Zetterberg |
| Treasurer | Betty Brown |

LETTERMEN CLUB

The "W" Club, better known as the Lettermen's Club was organized in 1940 and Coach Hiatt was chosen as honorary adviser. The Lettermen Club is an honorary club. In order to be a member the boy must earn a letter in a major sport field. The officers for this year were:

| | |
|--------------------------|-----------------|
| President | Richard Buswell |
| Vice President | Willard Murphy |
| Secretary | John Ross |

The duties of the club are to usher at all athletic contests and programs. It is also their duty to make the "W" of their letter something of which to be proud. At present there are 25 members in the Lettermen Club.

One of the annual affairs of the club is the Father and Son banquet. The purpose of the banquet is to bring about a closer understanding between fathers and sons in regard to the athletic program of the school.

GIRLS' SEXTET

Six voices blending together in melodious harmony bring to life the high school sextet.

At the beginning of the year, the sextet included Betty Johnson, first soprano; Katherine Bunn, first alto; and Luzelle Bunn and Evelyn Westwang, second sopranos.

The latter part of the first semester, the sextet lost Blondina Lawson and Luzelle Bunn because of illness. They were replaced by Alice Johnson and Katherine Bunn.

The girls sang several times for the Civic Club, school programs, and other programs.

The Sextet is sorry to lose two of its members by graduation.

GIRLS' GLEE

The Girls' Glee club performed very successfully this year under the direction of Miss Weber. At the beginning of the year, the club was separated into two groups, but later the two groups were combined.

The officers for this year were:

Vice President Betty Zetterberg
Secretary Treasurer Florence Blanchard

The entire glee club, together with the boys' glee directed by Mr. Warren, sang for the Christmas program and the defense rally. A variety show was given on March 31.

The Girls' League was started last year and has been continued for the new school year of 1941-42 with the following officers:

President Bonita Myers
Vice President Fay Larkins
Secretary and Treasurer . . Betty Harpole

During the school year the girls had various candy, popcorn and doughnut sales.

On December 6, they attended a Girls' Conference at Beaverton, Oregon, with 18 schools of Washington, Oregon, and Idaho represented.

GIRLS' SHOP

The girls' shop class was started last year to enable the girls to try their hands at making different shop projects. When they first started, there were ten girls in the class. At the end of the first semester there were only four. To begin with, they made sketches. Since then, they have made book ends, letter files, and dressing tables. Although they missed the nail and hit their hands at first, the girls soon learned how to construct things.

FIRE SQUAD ACTIVITIES

The Willamina High School Fire Squad was organized during the first of the school year. The school had no fire squad for the first year's fire squad that was still in school. At the first meeting a fire chief was elected. The fire squad chose Troy McGowan as chief with Kenneth Stanenko as assistant. Charles Kelly and Tony Hass were placed as captains. The membership was twenty, which was considered sufficient in case of a fire or an air raid.

The fire squad was several times instructed in the correct positions and duties during air raids.

"HI, NEIGHBOR!"

Pause a moment before you make the unfortunate mistake of casting your disillusioned glances upon the corny "cotton head" and unceremonious slumber that presents itself in the following pages.

"We'll be honest with you" and "give you our word" that if you curb your curiosity now, you'll never hear "Elmer" in the night or hear "the wise old owl" singing "Elmer's tune" beneath "Rose O'day's" window in your sleep.

However if you forget what "your mama done told you" and forget your own reason and within, you will always regret it and often wish you were "a gay ranchero" "deep in the heart of Texas" "with the wind and the rain in your hair". But "keep cool, fool"; you will be gently laid to rest "high on a windy hill" and "Jim will bring you pretty flowers".

Don't ask "why we don't do this more often" because it's better to see "we've got it bad and that ain't good".

"G'bye Now"
